

**Product Description:** BIHS 402 / Class 4 /270 discharge / CW Rotation / Arr 8 / 150F max design temperature

**Application:** exhaust fan for oxidizer system.

**Performance:** 32000 ACFM @ 17" WG SP @ 0.074 Lb/ft<sup>3</sup> inlet air density

**Features:** 125 HP Motor, access door, drain, flanged inlet/outlet, OSHA coupling and shaft guards, shaft seal, Falk Steelflex coupling, AMCA C sparkproof construction, special paint, inlet box.
